A.—Sri H. C. BORAIAH (Parliamentary Secretary to Minister for Agriculture).—

(*a*) Yes.

(*b*) The proposals are under considerartion of the Government.

Mr. SPEAKER.—Now we will take up discussion on Appropriation (No. 3) Bill, 1965.

SOME HON'BLE MEMBERS.—We have not received copies of the Bill at all.

Mr. SPEAKER.—Then we will take it up a little later.

SPECIAL MOTION *re*:

Conduct of member interrupting or obstructing Governors Address (*Contd*).

Mr. SPEAKER.—We will go to the next item, *i.e.*, motion by Sri Ganji Veerappa. Yesterday there was some discussion raising some objections. I had met most of them. Are there any further objections?

Sri G. V. GOWDA (Palya).—I have nothing practically to add to the observations I made yesterday.

Sri V. M. DEO (Gubbi).—I would like to submit that the motion before us is a blank sanction.

Mr. SPEAKER.—Is the Hon'ble Member debating the issue or raising further objection to its admissibility ? I need not give time for admissibility.

Sri V. M. DEO.—A motion of this sort should not have come before this House.

Mr. SPEAKER.—It is the opinion which the member is entitled to have and carry it as long as he pleases.

Sri C. J. MUCKANNAPPA (Sira).—Yesterday I was under the impression that you are holding it over for some time.

Mr. SPEAKER.—I really do not know it. Members come and represent to me that all are agreed and that this motion may be included and the other motion need not be put. If Members want to tell me anything, they must come and tell me. I did not say when I am going to put the motion. All that I said was that I will take it up some other day.

Sri C. J. MUCKANNAPPA.—That is why I request the Chair to allow us to think over about this Motion before the House. The Chair wanted to end this matter gracefully.

Mr. SPEAKER.—This is just like somebody wanting to play with the House. Why did members come and tell me yesterday again ? I directed the Secretary to include that and not this even. Then I said include both, so that one may be disposed of. If they do not like this, in future I will not receive any more members. Let everything be done on the floor of the House.

Sri C. J. MUCKANNAPPA.—It is not to displease the Chair. Till 11-30 to-day we were not able to get the Agenda. I was surprised to find it in the agenda when I picked it up in the Notice Office at 11-30. It is not a question of blaming anybody.

Mr. SPEAKER.—Do all the Members want me to know that none of them were able to get the Agenda yesterday ?

HON'BLE MEMBERS.—No Sir. We got it.

Mr. SPEAKER.—I cannot understand this. One Member trying to interrupt the business of the House. I have seen the Agenda myself yesterday.

Sri B. V. MAGAVI (Haveri).—Yesterday the Agenda was available. If my friend could not take it yesterday, it is better he frankly asks for some more time instead of shifting the blame to somebody else. I was in the Chair for the major part yesterday and I observed he was in the House, Sir.

Sri C. J. MUCKANNAPPA.—Please take it up some time later.

Mr. SPEAKER.—When everything is arranged, for one Member to say that we do not want it today, it is not proper to upset the arrangement of work.

Sri C. J. MUCKANNAPPA.—Sir, I have submitted what I honestly felt. The Chair is the ultimate authority.

Mr. SPEAKER.—Do I need to be told about it ? I am trying to co-ordinate the work and I want Members to appreciate it.

Is it going to be debated ?

Sri B. P. KADAM (Karwar).—Yes, Sir.

Mr. SPEAKER.—Then it will co ne some other day. The other motion may be included. No Member should come and ask me to revise. Please find out the date convenient to the Member who has moved the motion. Let it be the earliest date.

Now Demands. I think Sri Sanjeevanath Aikala was on his legs yesterday.

BUDGET ESTIMATES FOR 1965-66.

DEMANDS FOR GRANTS FOR 1965-66.

(Demand No. 1-Taxes on Income other than Corporation Tax.)—[*contd*].

Sri SANJEEVANATH AIKALA (Suratkal).—Mr. Speaker Sir, yesterday I was referring to the difficulties encountered by small tradesmen by the method of collection of sales-tax. Sir, Mysore State perhaps is one of the States which is heavily taxed in the entire Indian sub-Continent. Out of 16 States.....

Sri B. D. JATTI (Minister for Finance).—Let the Hon'ble Member give facts Sir, how he is going to say that in the entire country, ours is the most heavily taxed. What is the basis. If he can kindly give his figures, I will look into it.
